HOUSE BILL No. 2100

DIGEST OF HB 2100 (Updated February 26, 2001 1:21 PM - DI 92)

Citations Affected: IC 12-15; noncode.

Synopsis: Immunization data registry. Requires the office of Medicaid policy and planning to have an immunization data registry developed by delegating the authority for the development of the registry to a nonprofit agency, that working in conjunction with the department of health demonstrates the ability to generate matching funds sufficient to develop the registry. Specifies that the parent or guardian of a child may elect not to have the child's immunization records included in the registry if the parent or guardian completes and files a written exemption form. Requires the office of Medicaid policy and planning to apply for approval and funding from the United States Department of Health and Human Services for development, implementation, and maintenance of the immunization data registry. Requires the office of Medicaid policy and planning to develop guidelines for providers to use in reporting immunization data to the immunization data registry.

Effective: July 1, 2001.
